Bridge Repairs on U.S. 20 over the Fox River

CHICAGO – The Illinois Department of Transportation (IDOT) announced that a lane closure will take place on the structure that carries U.S. 20 over the Fox River, in Elgin, beginning, weather permitting, Monday, June 12. The closure is necessary for to perform bridge repairs.

In order to complete the repairs, the right lane of eastbound U.S. 20 will be closed over the Fox River. The work is expected to be completed by Monday, June 19.

The scope of the work includes concrete bridge deck patching and repairs to the bridge approach structure.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
